Description:

Beautiful house in Medulin, just 150 meters from the sea. The house has 3 floors, each floor is 100 sqm. The house consists of a three-room apartment on the ground floor with a bathroom and toilet, three bedrooms, a kitchen with a living room and 2 terraces. Also on the first floor we have a three-room apartment that is identical to the apartment on the ground floor, three bedrooms, 2 terraces, kitchen and living room, bathroom and toilet. In the basement there is a tavern, which consists of a large room for socializing, a bedroom, a bathroom and a storage room. The house has gas central heating. The house has 3 parking spaces and, if necessary, it is possible to make more parking spaces. You need to renovate some things in the house, but the house has a great price and it is an exceptional opportunity because of the location and contents. We highly recommend it !
